SAA COMMISSION ON AIRFARES

South African Airways announces the following changes to commissions for tickets issued in Australia effective on/after 01 April 2019.

1. All tickets for itineraries originating from Australia plating on SAA-083 ticket stock will reduce from 5% to 4% commission.

Examples: ADL-PER-JNB-PER-SYD or MEL-PER-JNB-NBO-JNB-PER

2. All tickets for itineraries originating outside Australia plating on SAA-083 ticket stock remain unchanged at 0% commission.

E.g. JNB-CPT-JNB or JNB-NBO-JNB or LHR-JNB-LHR or SAO-JNB-SAO or JNB-PER-JNB

SAA COMMISSION ON FUEL SURCHARGE (YR)

Effective on/after 01 APRIL 2019, SAA fuel surcharge (YR) on eligible international published airfares sold from point of sale Australia and point of origin Australia will reduce from 5% to 4% base commission for tickets issued on SAA-083 ticket stock. Tickets issued for departure from other points of origin will not attract this commission.

Eligible international published airfares include published airfares which are non-discounted and commercially available to Travel Agents via the GDS but excludes airfares such as corporate net, wholesale IT and private airfares.

The new commission will apply for any tickets issued on/after 01 APRIL 2019.

If you have any further questions, please contact your local SAA Sales office or SAA Reservations on 1300 435 972.
